Why Sign Up?

The event directly benefits TRPIL's new headquarters and community center at 42 West Maiden Street, Washington, PA 15301, which is set to open this summer!

Our new building will be a central point for our community, as well as a hub for our work towards independence for individuals with disabilities in Southwestern PA. It is being designed as a state-of-the-art facility that is open to the public.

From within the sturdy foundations of the old YWCA, we will move forward for a new future for TRPIL! We'd love to have you with us on this transformative journey.
