## Winter Trivia Blitz – Get Ready!

*by Brenda Dare*

Do random facts stick with you and seem to serve no purpose? Are you looking for a way to make a difference and have some fun at the same time? Are you a competitive game player in need of a way to showcase your skills? Then, **TRANSITIONAL PATHS TO INDEPENDENT LIVING** needs you!

Every March, the Washington Rotary Club holds a trivia contest. The top three teams earn cash prizes for charity.

The thing is, we have not managed to crack the top three yet! This year, we are upping our chances by sponsoring more than a single team. We are looking for consumers to lead us to trivia victory... *and a donation from the Rotary for the YWCA project.*

The contest is **Friday, March 8, 2019**. We will provide transportation to those who need it.

We will hold practice sessions to get in shape for the contest. Practices will likely be one Friday afternoon in January and February. Watch for more information in the next issue of **One Vision**.
