INTEGRATION, EQUALITY, AND OPPORTUNITY FOR PEOPLE WITH DISABILITIES.

Why I'll Plan for Next Election Day...

by Nan Sninsky

Since reaching the legal age to vote, I have faithfully gone to the polls to exercise my right to choose the person or party that I believe in.

Despite pride in my voting record, I did not vote in the May primaries this year. For the first time ever, I forgot! Somehow between home and my polling place just a few short blocks away, I *completely forgot*.

Now I plan to make a plan and, you can too. While you are researching the candidates on the ballot, be sure to investigate the logistics needed to cast your vote:

- ◆ Where is your **polling place**?
- ◆ What **time** will you go?
- ◆ How will you **get there**?
- ◆ Did you put this on your **calendar**?
- ◆ What is your **back-up plan**?
